## People are Talking About Us...

"I want you to know meeting you has had an impact on my life directly; in as much as I now have the knowledge and understanding that adoptions give life as much as birth itself. Without people like you, many babies might not have their first breath. I am really grateful for agencies such as *Adoption Circle*."

Birthmother, Central Ohio

"How can I ever thank you for all you have done for us!! Knowing that our baby has been placed in a wonderful home means the world to us. Everyone at *Adoption Circle* has been so helpful. God bless you."

Birthmother, Cleveland

"You were able to sympathize and be reassuring, yet never offering assurances that you couldn't give. It is what saved us emotionally even though it was frustrating! We appreciate your professionalism."

Adoptive Mother, Central Ohio

"It was great to see you again! Thanks for holding the support group meetings. You are very patient and understanding. You do a great job as a social worker and friend."
