## VII. Post Finalization Adoption Services

ADOPTION CIRCLE shall provide post finalization adoption services upon request of the birthparents, adoptive parents and/or adopted person even after the adoption has been finalized. These services shall be provided by trained professionals who are knowledgeable about the legal, social and emotional issues of the adoption process. If ADOPTION CIRCLE cannot directly provide the services requested, the Agency shall make a referral to other trained individuals who can assist you. There may be a fee for these post-adoption services.
